

My name is Brendan Cafferty and I am honored to serve as an Assistant Principal at Lexington Middle School since 2014. I live in Lexington with my wife Susan and our four children. In 1992, I received my Bachelor of Science Degree in Marine Science from the University of South Carolina. After completing a Masters of Arts in Teaching in 1996 from the University of South Carolina, I taught Biology, Marine Science, Physical Science, and Earth Science for seven years in various public schools in South Carolina and Georgia. From 1997-2003, I was employed by Lexington School District One and taught in both White Knoll High School and White Knoll Middle School. In 2003, I was offered the opportunity to utilize my science skills and educational background at the Department of Health and Environmental Control as a Bioterrorism Exercise Coordinator in the Office of Public Health Preparedness. I was awarded a Masters of Education in Education Administration by the University of South Carolina in June 2012 and returned to teaching at Swansea High School in Lexington School District Four as a biology instructor. In 2013, I returned to Lexington School District One as an 8th grade science teacher at LMS. The following year I was promoted to Assistant Administrator and ultimately Assistant Principal in 2016.
