Feb., Mar., Apr., 2018

Nester's Notes:

The year up to this point has been filled with student successes in the arts, academics, robotics, athletics, and many other areas. Our students are committed to living the IB Wildcat Learner traits showing they are inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, courageous, balanced and reflective. They are committed to using their passions and talents to make the world a better place. As they grow into well-rounded life-long learners, they face adversity with strength and resilience! I look forward to a great rest of the school year. I can't wait to see what all these Wildcats will continue to do!
