

LMS School Improvement Council Minutes

February 13, 2018

Present:

Joeli Mulligan, Melissa Kneece, Ebony Bowers, Mandy Bowden, Lauren LaVenia, Laura McCombs, Gloria Nester and Stephanie Cope

MealViewer Update

Thank you to Ashley Summers, Marketing Coordinator LCSD1, for her demonstration on how the MealViewer program works for parents, students and staff. MealViewer can be accessed from the district site under Food Service & Nutrition Department. You can also download the app on your phone. This program can provide both the nutritional value and any potential allergy reactions from a meal. The district monitors the feedback from menu items and adjust the menus as needed. If you want more information, contact Mrs. Summers at asummers@lexingotn1.net or 821-1231. This program was invented by a former Gilbert High School graduate. Pretty cool!

Students Clubs & Activities

Dr. Ebony Bowers and Ashleigh Near are working together to get the word out about all the great opportunities for our students to participate in a club and/or activities. We are planning to hand out a list of clubs/activities at both rising 6th grade meeting this week and include a screen in the Power Point presentation. The suggestion was made to have a separate table at schedule pick up day this summer but at that time not all clubs are complete with sponsors.

Principal Update:

- **Strategic Plan Update:** We watched the video Little Thoughts, Big Dreams by Dr. Little. Parents are encouraged to attend one of the viewings of “Most Likely to Succeed”. Both viewings are on February 22 at 6:30 pm. LMS and WKHS hosting.
- **Parent and Student Surveys:** On Monday, February 19 during ATL all students will participate in the use of technology for learning at school and home survey. On Monday, March 5 during ATL the 8th graders will participate in a survey about their experience at LMS. They are given a parent survey to take home and return back to the school for us to mail back to the State Department.
- **Globe Project Update:** The globe is tentatively set to be delivered at the end of February or the beginning of March. We are planning to present the globe to our parents and community during the fine arts year end performances with light refreshments.

- **8th Grade Completion Ceremony:** The completion ceremony is set for Wednesday, May 23 at LHS gym. Kate Mills updated us that we are partnering with PHMS on the chair rental cost and working with Mr. Summerall to handle the video and audio for the ceremony. Barbara Tanfara has sent home the letter to 8th grade parents asking for the baby/toddler pictures by March 2. We decide to have the photo booths again this year out in the lobby. We were all in favor of continuing with the paper certificates and the IB medals.

Action Items

- Picture frames and/or photo booth props - Laura

Next meeting will be May 1, 2018
