

A graduate of Lexington One Schools, I was happy to begin teaching here in 2006. I spent the first 12 years of my career at Pelion Middle School as a computer teacher and assistant principal.

I have an undergraduate degree from the University of South Carolina in Public Relations. Not long after graduating, I pursued my passion for teaching with a Masters in Teaching and focused on Business Education. After several years of teaching, I pursued my Masters in Educational Administration. I have happily worked as an Assistant Principal since the completion of this degree in 2011. I am thrilled to join Lexington Middle as a Wildcat this year!

Outside of school, I am a member of the Lexington community and a mom of three. I am an avid learner, shopper, and enjoy short trips with my family.
